WALNUT IN SHELL

WALNUT KERNEL

Hebei Luhua Import and Export Trade Co., Ltd. is a large walnut processing plant. Since 1996, it has been focusing on the walnut export industry and established a foreign trade company in 2021. Year-round production and processing of walnut kernel, has passed the BRC quality system certification. Since its establishment, the company has taken the development of China's walnut dried fruit industry as its goal, adhering to the purpose of healthy nutrition, green ecology, natural and delicious, and jointly developed a 30,000 mu planting base with partners. There are three factories in Xinjiang, Hebei and Yunnan, with an annual output of more than 5,000 tons. Each walnut has been carefully processed and exported to more than 100 countries and regions such as the European Union, Russia, Canada, Australia, the Middle East and Africa. With the complete and scientific quality management system, professional sales team and mature logistics channels, Luhua Food presents high-quality, healthy and delicious Chinese walnut to the world.
